IVORY COAST

The most developing economy in West Africa with a population **of 32.1 million, Ivory Coast** is the **economic hub of West Africa.**

Through substantial automotive and infrastructure investments, it is increasingly diversifying its economic portfolio.

Ivory Coast is one of the most influential and steadily developing economies in West Africa. **With rapid growth in vehicle ownership, fleet expansion, and transport infrastructure projects, the country is becoming a pivotal hub for the automotive sector.** Its dynamic economy and rapidly growing population continue to expand commercial opportunities across the region.

Ivory Coast's dynamic economy and growing population, combined with the Economic Community of West African States (ECOWAS) 's **430 million strong market**, offer significant trade & investment opportunities.

ONGOING MEGA PROJECTS

Atinkou Combined Cycle Power Plant
Project Value; **$420 million**

Gribo–Popoli Hydropower Dam
Project Value; **$308 million**

Singrobo–Ahouaty Hydropower Project

DRIVEN BY INNOVATION

Auto Parts Expo Ivory Coast is West Africa's leading international trade fair dedicated to the **automotive aftermarket, spare parts, service equipment, and accessories industries.**

As the number of vehicles on **African roads continues to grow**, especially in West Africa's urban hubs, demand for reliable spare parts, maintenance services, and innovative automotive technologies is accelerating rapidly. Ivory Coast, with its **strategic port and logistics infrastructure, is a key gateway to the regional auto parts market.**

This exhibition offers a comprehensive platform for global **suppliers, manufacturers, and service providers** to meet **buyers, mechanics, distributors, and institutional fleets** from across the **ECOWAS** region.
